

BEDFORD

**Van Range
2400 lb. to
18000 lb. GVW**

ECONOMICAL COLLECTION AND DELIVERY

Bodywork from 70 to 780 cu. ft. capacity

70 cu. ft. 6 and 8 cwt

The smallest of the Bedford van range are these two easy-on-the-eye, easy-on-the-pocket models. Smartly styled and completely practical, these light vans are the best value for money on the road today.

91.5 in. wheelbase;

70.8 cu. in. petrol engine – designed to run on low-cost fuel;

4-speed all synchro gearbox;

short, crisp, floor-mounted gearshift lever;

20 in. loading height;

comfortable, car-like driving position;

choice of 6 factory finished colours.

TOUGH . . . STYLISH . . . THRIFTY . . . UTTERLY DEPENDABLE

High Top
If it's capacity you want, the Bedford High Top is worth looking into. Body capacity is a big 91 cu. ft. just right for those bulky loads.

Beagle Estate
This attractive estate car gives a full van loadspace during work and converts into a 4-seater when you feel like getting away from it all, and there's still plenty of room for luggage in the rear.

Seat kit and ladder rack
A seat kit providing for 2 extra seats behind the driver is available as an accessory. The light, strong ladder rack designed for both models can be fitted or dismantled in a matter of minutes.

Variations of the 6 cwt and 8 cwt models

144 cu. ft. and 171 cu. ft. CA van range

Mobile Shop
Built on the 102 in. long wheelbase chassis, the body is double-panelled over a hardwood frame. Sliding door at the rear and a serving window on the nearside.

Easy-Access
All metal body with wooden floor, sliding cab doors and double rear doors. Mounted on the 102 in. long wheelbase chassis. Capacity 235 cu. ft.

Pantechicon
Built on the 15/17 cwt. chassis, body panels are aluminium and the roof glass-fibre. Hinged cab doors. Capacity short wheelbase, 388 cu. ft.; long wheelbase, 480 cu. ft.

This range of medium vans from Bedford is well established with operators everywhere. Semi-forward control gives easy-access through either door - ideal for stop/start collection and delivery work. 90 in. or 102 in. wheelbase; choice of 97.4 cu. in. petrol or 108 cu. in. diesel power unit; 3- or 4-speed gearbox; 144 cu. ft. or 171 cu. ft. loadspace; 10/12 or 15/17 cwt. payload rating; Low 24 in. loading height; Flat-topped wheelarches for easier stacking; Choice of 6 factory finished colours.

300 CU. FT. TO 780 CU. FT. LOADSPACE.

Forward Control KA, KB, KC, KD
Based on the popular F4 forward control chassis, these vans are built with exceptionally lightweight to allow them a lot of handling, economy, and maneuverability. They feature a 151 cu. ft. or 194 cu. wheelbase, 100 cu. ft. or 130 cu. wheelbase, 100 cu. ft. or 130 cu. wheelbase, 100 cu. ft. or 130 cu. wheelbase, 100 cu. ft. or 130 cu. wheelbase.

Semi-Forward control J1 and J2 6000-ACCSS
These vans access to the load area, with loading doors and side access, to through and out of the side walls, to be greater efficiency and reduced operating costs. See for multiple delivery and collection operations. 178 cu. ft. wheelbase, 100 cu. ft. wheelbase, 100 cu. ft. wheelbase, 100 cu. ft. wheelbase, 100 cu. ft. wheelbase.
