

1979 CHRYSLER LeBARON

THE PERSONAL CAR WITH THE PLEASING PRICE.

LOOKING FOR SOMETHING SPECIAL IN YOUR NEXT CAR?

If you are . . . don't settle for anything less than the style and spirit of a 1979 LeBaron. All of the new LeBaron models are beautiful examples of how Chrysler designed and built a car to meet the needs of today.

For example, our new Salon series comes with standard power steering and brakes, four-speed manual transmission with overdrive, trip odometer and dual headlamps. Yet the price will surprise you . . . proving you don't have to spend a lot to get a lot. A step up is our top-of-the-line Medallion series. Plus the LeBaron series for the most affordable Chrysler nameplate in '79. Three great series along with the Town & Country make up the LeBaron lineup this year. Your year to add a little style to your life.

Our purpose was to make all the '79 LeBarons efficient in their use of space . . . enjoyable to drive . . . yet eye-catching in their appearance.

Notice the styling touches: new chrome-plated grille, new taillight treatment on 2- and 4-door models, and a fully padded vinyl roof standard on 4-door Salon and Medallion models. A new landau roof option is available on our 2-door models.

And that's not all. Every '79 LeBaron also has a distinctive eagle hood ornament, rear bumper guards with protective inserts and a compact spare tire to help give you more useable trunk room.

Inside standard features include a 2-spoke steering wheel, color-keyed carpeting, trip odometer, cigarette lighter and an inside hood release.

If you want your LeBaron to have a sportier look, there's the new optional Sport Appearance Package that's available on any LeBaron model. This package includes a 3-spoke luxury steering wheel, remote-controlled color-keyed sport mirrors and sport road wheels.

Another new feature for '79 is a Maintenance-Free battery standard on cars with the optional 360 V-8 engine. And all LeBaron batteries now have a test indicator to show you the battery charge condition.

Other standard features include a patented transverse torsion-bar front suspension system with complete rubber isolation of chassis from the car body to help make for a smooth, quiet ride. And the standard 225 Six with 4-speed overdrive manual shift transmission helps provide efficient performance. Economy is provided by having 7,500-mile oil change intervals under normal operating conditions.

Of course, there is a full complement of standard safety features: turn signals with lane-change feature, power front disc brakes, dual braking system with warning lights, circuit breakers for wipers and headlamps, electric windshield wipers and washers, energy-absorbing steering column, padded instrument panel, side door guard beams, dual hood latch system and safety-rim wheels. Plus many more.

As you can see, the 1979 LeBaron is one fine, well-equipped automobile. Now look through this brochure for the specific LeBaron that best suits your lifestyle.

But even better than a look is a test drive. Ask your Chrysler dealer to arrange one. On the road is the best place to appreciate all the LeBaron has to offer.

1979 LeBaron. A personal car that's a pleasure to put into motion.

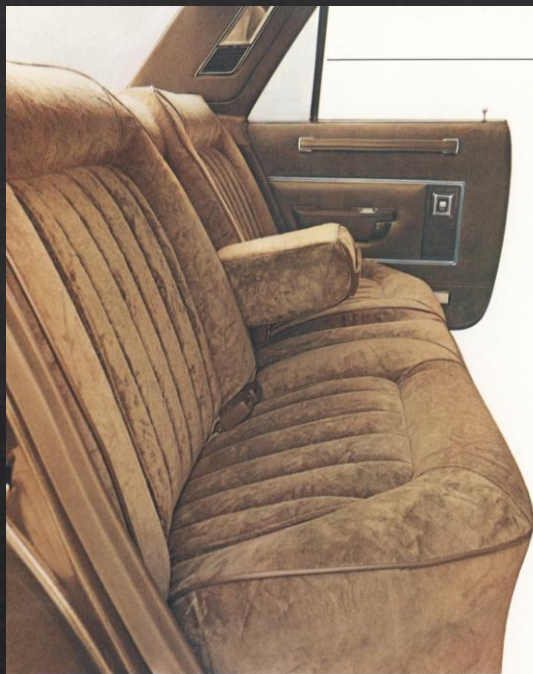

Some of the items shown on vehicles in this catalog are extra-cost options.

LeBaron Medallion 4-Door Sedan

**LeBARON MEDALLION 4-DOOR SEDAN.
WHERE LUXURY IS STANDARD.**

The Medallion series is the ultimate statement in the LeBaron line. Inside and out, your senses encounter standard luxury of the best kind.

Take the LeBaron Medallion 4-door sedan. Its clean styling and pure lines add up to a look that's distinctive in appearance.

Functional and luxurious. That's the Medallion instrument panel. With simulated leather-grain finish instrument panel pad. A handy trip odometer. Elegant rosewood-like grain instrument cluster trim.

POWER

With any LeBaron you choose—power steering and power brakes are standard.

Look at the inviting elegance of the Medallion 4-door sedan interior in lush Verdi velour. Choose from blue, teal green, gray, red or cashmere (shown). Up front, there's a 60/40 seat with a folding armrest. And the rear seat features a fold-down center armrest, roof rail assist straps, door pull straps and side vanity mirrors with lamps.

Here's the topper in overhead elegance... Medallion sedan's fully padded vinyl roof. There are also new exterior opera lamps. Select your roof from eight colors: brown, red, green, blue, gray, black, white or cream.

Medallion's deep trunk carries your personal belongings in style. It's fully carpeted and has a covered spare tire. Nice touches. Trunk volume measures a generous 16.6 cu. ft. for 4-doors, 16.0 cu. ft. for 2-doors. And we've designed a special depressed area in the center of the trunk for tall items.

Some of the items shown on vehicles in this catalog are extra-cost options.

LeBaron Medallion 4-Door Sedan

LeBaron Medallion 2-Door

LEBARON MEDALLION 2-DOOR. A TOUCH OF SPORT. A LOT OF CLASS.

Front overhead
reading lamps provide
illumination.

The sportiest Medallion—the 2-door model. It has all the appearance of a responsive touring car... a personal car designed for youthful tastes.

There is a long hood, short rear deck with an uncluttered roof line.

Plus class touches like body-side and deck accent stripes in nine exterior color choices, and distinctive opera lamps. Left outside mirror remotely controlled. And premium wheel covers.

All standard equipment.

More dash is available with optional wire wheel covers or road wheels. Add a T-bar roof for that open-air feeling. Or the convenience of optional power door locks and windows.

Medallion 2-door interiors enhance the feel of sporty elegance.

There are assist handles for driver and passenger. And handy overhead reading lamps* to provide individual illumination — another

driver/passenger convenience.

Standard are 60/40 seats of Verdi velour with a center fold-down armrest and passenger recliner. They're available in five colors: blue, teal green, gray, red, and cashmere.

Also available optionally are leather-and-vinyl 60/40 seats on all LeBaron Medallion models in blue, teal green, gray (shown), red, cashmere or white. This leather seating is also available as an option for the Town & Country station wagon in red or cashmere. With deep-pile carpeting throughout the interior.

Not so evident to the eye: a hood silencer pad that deadens engine noise and contributes to Medallion's hushed, quiet ride. For added quieting items, order the optional Deluxe Sound Insulation Package.

The Medallion 2-door... a personal car with sporty touches. A lot of class. And available at an affordable price.

*Deleted with sun roof option.

Optional leather-and-vinyl 60/40 seats have a fold-down armrest and passenger recliner. These seats are available on all Medallion models and the Town & Country.

LeBaron Town & Country Wagon

LEBARON TOWN & COUNTRY. AFFORDABLE CHRYSLER LUXURY CARRIES ON.

*Plush and practical.
Complete with carpeting, metal skid strips
and lockable storage compartments.*

For many people a station wagon is the perfect car for their lifestyle. Especially the beautifully appointed and practical Town & Country wagon by Chrysler.

Styling touches are pure Town & Country. Body sides and liftgate have the rich look of handcrafted teakwood. Framing the woodtone panels . . . simulated white ash moldings. Plus touches of bright moldings and trim all around, along with the deluxe wheel covers, make the Town & Country truly a standout with the wagon crowd.

But that's only part of the beauty found in the Town & Country wagon.

That's because Town & Country's cargo area—72.3 cubic feet of load space—looks and works beautifully. The cargo floor plus the fold-down second seat are fully carpeted and protected

with stainless-steel skid strips. Plus lockable storage bins located in the side panels to keep valuables—like cameras and such—out of sight. For more convenience an optional power release control for the liftgate is located in the glove box.

Base power plant for Town & Country is our 225 single-barrel Six . . . very dependable and efficient. Additional power is available with our optional 318 and 360 V-8 engines.

Power steering is standard. So are power front disc brakes.

And the standard four-speed manual transmission* with overdrive is a feature you'll really come to appreciate when you're cruising down the highway.

The 1979 LeBaron Town & Country . . . you can't buy a more luxurious wagon from Chrysler.

*Not available in California.

Supple all-ribbed split-back bench seat with center armrest is standard for Town & Country wagons. Available in teal green, red or cashmere. (Optional in Sedan models.)

LeBaron Salon 4-Door Sedan

LeBaron 2-Door

LEBARON SALON. NEWEST NAME IN THE LEBARON LINEUP.

New optional cloth-and-vinyl bucket seats are available in all LeBaron Salon models.

Surprising luxury at an affordable price.

Yours in full measure with the LeBaron Salon.

The 4-door LeBaron Salon offers classic modern lines in a sedan that's roomy and prestigious.

The Salon features standard body-side stripes available in nine coordinated colors. A full padded vinyl roof with brushed stainless center pillar moldings is also standard in eight attractive colors: brown, red, green, blue, gray, black, white or cream.

The 2-door LeBaron Salon is equally distinctive with crisp styling, accentuated with new body-side stripes available in nine coordinated colors.

You can make the interior sporty and comfortable with the softness of the new optional cloth-and-vinyl front bucket seats with center armrest. Available on

LeBaron Salon 2-door and 4-door in blue, teal green, gray, red or cashmere. Standard cloth-and-vinyl bench seats

with front-seat center armrest come in the same colors. Another seat option is the one shown on the previous page. Available in blue, teal green, red or cashmere.

Where it counts in carrying the goods, LeBaron's spacious trunk shows off its practical design to help provide ample storage for tall grocery bags and family luggage. There's even a new high-pressure compact spare tire to give you more useable trunk room.

Other standard conveniences include: dual overhead reading lamps (2-door model)* day/night rearview mirror, door pull straps and seats with folding center armrests.

Then choose from a wide range of options such as automatic speed control, leather-covered tilt steering wheel and intermittent windshield wipers.

LeBaron Salon... for a look you'll love at a price you'll like.

*Deleted with sun roof option.

LEBARON. WHAT PRICE LUXURY? NOT AS MUCH AS YOU MAY THINK.

A Whittier cloth-and-vinyl bench seat is standard* on all LeBaron models.

If you're looking for great mid-sized value with no sacrifice in quality, comfort and prestige: don't settle for anything less than a 1979 Chrysler LeBaron 2-door or 4-door.

There's fresh styling up front with a smart, new design chrome-plated grille.

At the rear, new taillight treatment with bright LeBaron eagle identification and rear bumper guards with protective inserts.

And for the ultimate look of luxury add the optional padded vinyl roof that's available in eight great colors.

The standard interior is a Whittier cloth-and-vinyl bench seat in a choice of five colors — blue, teal green, gray, red, and cashmere. An optional all-vinyl bench seat with folding armrest is available in blue, red, teal green or cashmere. For more color, add optional color-keyed seat belts and accessory floor mats.

Like all '79 LeBarons, the standard power team is the 225 single-barrel Six with 4-speed overdrive manual shift

transmission.* Optional V-8 power is available in 318 and 360 V-8 engines with available TorqueFlite transmission.

Also under the hood, a new Maintenance-Free battery is standard on cars with the optional 360 V-8 engine. And all '79 batteries feature a test indicator showing the state of the battery charge. Another new option for '79 is the 150,000 candle-power halogen lamp system. This system includes two conventional high/low lamps and two halogen high-beam lamps for improved night visibility.

And the ride is smooth and quiet. Chrysler engineers did it with a patented transverse torsion-bar front suspension system, multi-leaf spring rear suspension and complete rubber isolation from chassis to car body.

LeBaron... our least expensive Chrysler... but far from the least in value, performance and styling.

*Not available in California.

40-channel CB radio.

Air conditioning/
Electronic Search Tune AM/FM stereo radio.

Power-operated tinted-glass sun roof.

T-bar roof.

Station wagon air deflector and roof rack.

Electronic digital clock/
Power-assist options.

Electric rear window defroster.

Vanity Mirror.

LEBARON OPTIONS.

A. 40-channel CB radio. Integrated with AM or AM/FM stereo radio. Full digital CB channel display, plug-in microphone and fixed tri-band antenna.

B. Air conditioning. Helps keep you and your passengers comfortably cool with four conveniently located outlets.

C. Electronic Search Tune AM/FM stereo radio. Because this radio has 100% solid-state construction, it does everything electronically. Even the stations are tuned in electronically—there are no knobs to turn, no moving station indicator or dial. Station frequencies are shown by a vacuum fluorescent digital display. The display changes instantly and silently as new stations are selected by push button or foot control.

D. Power-operated tinted-glass sun roof. Lets the sunshine in, open or closed. Tinted glass in five body-color-coordinated tints: silver, gold, smokey gray, light red, and green. (Available in 2- and 4-door models.)

E. T-bar roof. Tinted lift-off glass panel opens LeBaron to convertible pleasure. When closed, a wide-open view with privacy. (Available on 2-door models.)

F. Station wagon air deflector and roof rack. Air deflector directs air stream, helping to keep road dust and snow off rear window. Luggage rack with skid strips provides facility for extra cargo-carrying capacity.

G. Electronic digital clock. Features a four-digit vacuum fluorescent display. Bright daytime intensity, soft glow at night. Silent, highly reliable, remains accurate within one minute per month.

H. Power-assist options. The 1979 LeBaron offers several power-assist options.

I. Electric rear window defroster. Operates from an instrument panel switch. Removes frost and fog. Heating elements, fused to the rear glass, help prevent ice and snow build-up.

J. Vanity mirror. Passenger-side sun visor. Adds personal convenience day or night. With dual-intensity lamps on both sides of the mirror.

NOTE: Due to occasional printing irregularities, the colors shown may vary from actual hues. See your Chrysler Dealer for accurate color chips.

LeBaron Accessory Groups
